# ...BUT WE'RE STILL BREAKING NEW GROUND

## Shirtcliffe CONTRACTS

### A SPECIALIST FACILITY SERVICES PROVIDER

We offer an integrated range of complementary facility services, backed up by guarantees, product knowledge and installation expertise.

**What we are;** installers of floor finishes, hygienic wall cladding and surface protection systems, utilising the latest products and technologies.

**What we do;** we understand the client's specific requirements, agree and install the most appropriate, cost effective solutions.

**How we do it;** we work closely with our clients, and use our experience and knowledge to deliver high quality, tailored results, offering the very best 'life-cycle' value for money.

### FLOORING

For many years we have been the areas leading contract flooring specialist, offering a full range, of branded, and guaranteed products for Business, Education, Healthcare, Sport, Leisure, Hospitality, Manufacturing, Production and Civic Facilities.

### ANTISLIP

We apply a broad, and flexible range of treatments and coatings, to existing floor finishes to make their surfaces anti-slip, thereby reducing the likelihood of claims, due to slips, trips and falls.

### SURFACE PROTECTION

We can assist you in maintaining the hardest working areas of your facility in as new condition, by installing products tailored to the protection of vulnerable walls, corners and doors from scuffing and impact damage

### WALL CLADDING

We supply and install a complete system of hygienic wall cladding products, which can be fully integrated with complementary floor and ceiling products, for environments where cleanliness, hygiene or infection control, are of paramount importance.

### RESINS

We install a range of advanced Polyurethane, and Epoxy Resin products, designed for the rigours of intense usage, but offering a broad spectrum of aesthetic options, from the highly practical, to the highly decorative.
